

To: Privately Financed International Students

Scholarships by Private Foundation 2009 (The Second Semester)

The term for application: Oct 1, 2009 (Thu.) ~ Oct 14, 2009 (Wed.)

★ The privately financed international students need to file an application in this term if you would like to receive a scholarship from Private Foundation.

★ You have to register with TUAT twice a year, at the beginning of April and October

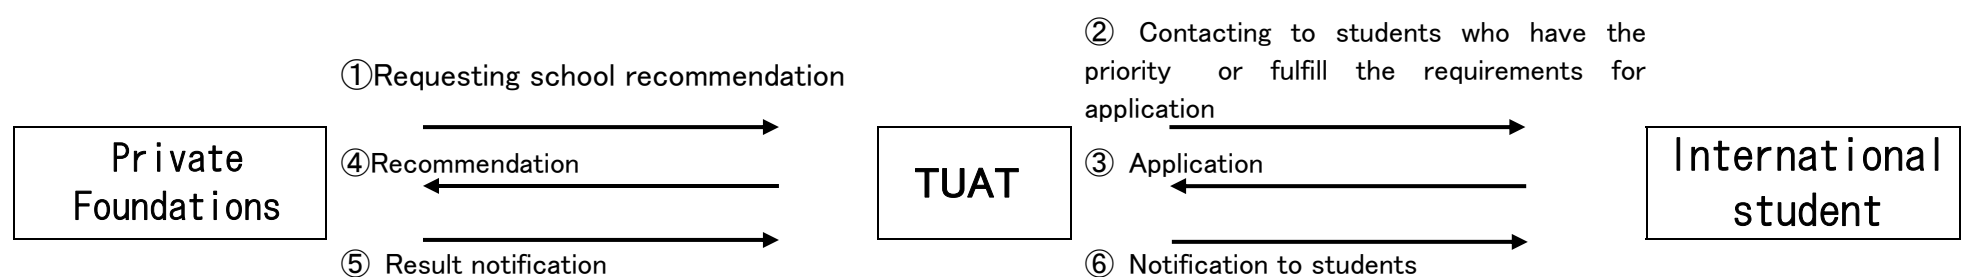

Please submit the following documents to your school office.

- ① Registration Form
- ② Other documents (please ask staff at your school office whether you need other documents or not.)

The method of recommendation

After you submit the documents to your school office, screening takes place on the other day (document screening, interviewing, study report, presentation, etc...). TUAT decide the order of priority from the result of this screening, and then TUAT recommends students to Private Foundations in the order of ascending priorities.

※ The applicant may have to take an interview at Private Foundation.

Notice

- ① We can not assure that you can receive a scholarship even if you register with TUAT and you get recommendation from TUAT.
- ② You can not receive scholarships from two foundations at the same year.
- ③ You can know your place on the ranking list in T.U.A.T. for recommendation.
- ④ As of Oct 1, 2009, Privately Financed International Students who are enrolled in TUAT can register for this scholarship system in TUAT.
- ⑤ At this term, you also can apply for Japanese Government (Monbukagakusyo) scholarship. If you would like to apply it, please receive the documents which are exclusively for Japanese Government scholarship at your school office. If TUAT recommend you to Japanese Government, we exclude you from the ranking list for recommendation of Private Foundations.

⑥ There are other kinds of scholarships which you do not need recommendation from TUAT. You can apply directly for it. Please get its information, see Private Foundation's Home Page and check the detail by yourself.

✂ If you have any questions about scholarships, please ask it to staff at your school office.

The schedule of registration and screening

Oct 1 ~ Oct 14 Please submit some documents to your school office if you would like to receive a scholarship from the private foundation.

The middle or end of Oct. Screening at your school
