

B/W/Y/T International Joint Meeting 2011

2011 international joint meeting of The University of Bonn, Waseda University, University of Yamanashi and Tokyo University of Agriculture and Technology (TUAT)

Date: June 14 (Tue), 2011

Time: 13:20~17:00

Venue: Room L0111, Koganei Campus, Tokyo University of Agriculture and Technology (TUAT)

13:20	Opening Remarks	Tadashi Matsunaga (President, TUAT)	
13:30~13:50	Michael Hoch (The University of Bonn)		Chairperson: T. Asahi "FOXO-dependent crossregulation of metabolism, innate immunity and ageing"
13:50~14:10	Shinji Takeoka (Waseda University)		"Present Status of "Construction of Labo-exchange Type Health & Biomedical Science Research Consortium"
14:10~14:30	Andreas Zimmer (The University of Bonn)		Chairperson: T. Ohshima "Depression, osteoporosis and obesity: Are these disorders linked by the cannabinoid system?"
14:30~14:50	Takeo Kubota (University of Yamanashi)		"Epigenetics in neurodevelopmental diseases"
14:50~15:10	Sven Burgdorf (The University of Bonn)		Chairperson: H. Takeyama "Characterization of endosomal composition by flow Cytometry"
15:10~15:30	Kazuhiro Chiba (TUAT)		"Hydrophobic tag-assisted solution-phase synthesis of biologically active peptides"
15:30	<i>Short Break</i>		
15:40~16:00	Masaki Inada (TUAT)		"Pathophysiological investigations of human disorders using gene null mutation mice"
16:00~16:20	Tsuyoshi Tanaka (TUAT)		Chairperson: C. Miyaura "Bio-chip technologies for cell therapy and diagnosis"
16:20~16:32	Hideomi Tanaka (Waseda University)		"Adult neurogenesis in zebrafish optic tectum"
16:32~16:44	Yuuki Nakamura (University of Yamanashi)		"Circadian clock gene Period2 regulates a time-of-day-dependent variation in cutaneous anaphylactic reaction"
16:44~16:56	Tetsushi Mori (Waseda University)		"Single-cell analysis and its application in analyzing microbial ecosystems"
17:00	Closing Remarks	Fuminori Nakiri (Vice-President, TUAT)	
17:05~	Banquet		

Registration: Pre-registration is not required Language: English

Chairpersons: T. Asahi (Waseda), T. Ohshima (Waseda), H. Takeyama (Waseda), and C. Miyaura (TUAT)

Organizer: Chisato Miyaura (TUAT) TEL: 042-388-7390 E-mail: miyaura@cc.tuat.ac.jp

Sponsored by: Tokyo University of Agriculture and Technology (TUAT)

Cosponsored by: • Life & Medical Sciences Institute (LIMES) ,The University of Bonn

• European Biomedical Science Institute, Waseda University

• "Construction of Lab-exchange Type Health & Biomedical Science Research Consortium " of the program "Young Researcher Overseas Visits Program for Vitalizing Brain Circulation " provided by Japan Society for the Promotion of Science (JSPS), Waseda University

• Global COE: Practical Chemical Wisdom, Waseda University

• Cooperative Program for Graduate Student Education of University of Yamanashi
